GENERAL INFORMATION

This publication is available on-line at <http://www.jbc.org>. Inquire about availability through your subscription agent or contact: THE JOURNAL OF BIOLOGICAL CHEMISTRY, P.O. Box 830399, Birmingham, AL 35283-0399, U.S.A. Tel.: 800-633-4931 or 205-995-1567. Minireviews are reprinted in January of the succeeding year in a Minireview Compendium. Compendia for 1988 through 2004 are available through the ASBMB office: ASBMB Office, 9650 Rockville Pike, Bethesda, MD 20814, U.S.A.

Submit *all* manuscripts via the web to: www.jbc.org/submit
 All correspondence should be addressed to:

Editor, The Journal of Biological Chemistry
9650 Rockville Pike
Bethesda, MD 20814, U.S.A.

Accepted manuscripts will be published with the implicit understanding that the author(s) will pay a \$75 charge per page. Under exceptional circumstances, when no source of grant or other support exists, the author(s) may apply, **at the time of submission**, for a grant-in-aid to Chairman, Publications Committee, American Society for Biochemistry and Molecular Biology, Inc., 9650 Rockville Pike, Bethesda, MD 20814. All such applications must be countersigned by an appropriate institutional official stating that no funds are available for page charges.

Queries on matters of general editorial policy should be directed to the Journal Editorial Office in Bethesda, telephone 301-634-7150; fax 301-634-7126; E-mail jbc@asbmb.org.

The Journal of Biological Chemistry publishes papers on a broad range of topics of interest to biochemists. The views expressed are those of the author(s) and not of *The Journal of Biological Chemistry* or the American Society for Biochemistry and Molecular Biology. © Printed on acid-free paper effective with Volume 254, Issue No. 1 (1979).

The Journal of Biological Chemistry is copyrighted by the American

Society for Biochemistry and Molecular Biology, Inc. Reprographic copying beyond that permitted by Sections 107 or 108 of the U.S. Copyright Law is allowed, provided that the \$10.00 per-copy fee is paid through the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923. For those organizations that have been granted photocopy license by CCC, a separate system of payment has been arranged. The fee code for users of the Transactional Reporting Service is: 0021-9258/05/\$10.00. Reproduction of any portion of an article for subsequent republication requires permission of the copyright owner. Requests should be made in writing to the American Society for Biochemistry and Molecular Biology, Inc., Attn.: Editorial Office, 9650 Rockville Pike, Bethesda, MD 20814 or jbc@asbmb.org and should include a statement of intended use as well as explicit specifications of the material to be reproduced. Non-profit educational institutions may photocopy multiple copies of articles for classroom use without payment of fees. All reproduction must utilize institutionally owned equipment for this purpose.

Address all correspondence and orders relative to subscriptions and back copies to: *The Journal of Biological Chemistry*, P.O. Box 830399, Birmingham, AL 35283-0399, U.S.A., telephone 800-633-4931 or 205-995-1567. Subscriptions are entered on a calendar year basis only. Allow at least six weeks for address changes. Claims for replacement copies must be received within three months of the issue date.

The Journal of Biological Chemistry (ISSN 0021-9258) is published weekly by the American Society for Biochemistry and Molecular Biology, Inc., 9650 Rockville Pike, Bethesda, MD 20814. Volume 280 for 2005: Institutions: United States, \$2,125; Foreign, \$2,775. Single copies of the Journal are \$45. (Note: Maryland and Canada add applicable taxes, unless a tax-exempt certificate number is shown.) The GST number for Canadian subscribers is 13037 0018 RT. C.P.C Int'l Pub Mail # 0060119. Periodicals postage paid at Bethesda, MD 20814, U.S.A. and at additional mailing offices. Printed in the U.S.A. Subscription rates for the on-line JBC are available at <http://www.jbc.org>. POSTMASTER: Send address changes to THE JOURNAL OF BIOLOGICAL CHEMISTRY at P.O. Box 830399, Birmingham, AL 35283-0399, U.S.A.
