Role of dynamin, Src, and Ras in the protein kinase
C-mediated activation of ERK by gonadotropin-releasing
hormone.

Outhiriadjioun Benard, Zvi Naor, and Rony Seger

This article has been withdrawn by the authors. The DP immunoblot in Fig. 1A, the DP immunoblot on the right in Fig. 2B, the DP immunoblot in Fig. 6, the DP immunoblot on the left in Fig. 7, and the DP immunoblot in Fig. 8 were inappropriately manipulated. Because the original data are no longer available, in the interest of maintaining accuracy in the published scientific literature, the authors wish to withdraw this article. However, the authors have full confidence in the findings and conclusions of this paper and have replicated the findings in subsequent work.
